A buffet tempting to herbivores/omnivores/carnivores will be served in the exhibit area. On Sunday morning, October 2nd, the Practice Management seminar will continue with breakfast at 9 am and continue until 3 pm. We will serve lunch in the afternoon.

We will send a recruitment brochure listing the practice opportunities to everyone pre-registered for the events. Family Medicine Residents Please RSVP to Sally@KCAFP.net before September 17, 2011.

The Recruitment Fair allows everyone to become acquainted with practice positions and choices available in family medicine in Washington State. It encourages communication among potential associates as early as practical during the "job hunt". It allows personal interaction and learning.

IMPORTANT INFORMATION: Everyone read carefully!!

This year we are trying something new at the Career Fair. We are inviting Physician Assistants from the UW MEDEX program to attend. The employers who generously pay to exhibit at our Job Fair have said, "We need Help!" Patient loads are growing and Practitioners are retiring. We need options to keep those trained in Washington working in Washington.

Dear Physician Assistants KNOW this is a new approach and we do not know how many of you will attend. This event is also sponsored and partially paid for by KCAFP, which is a member financed association. We invite you to participate in the Practice Management Seminar and the Job Fair, free of charge. If you are interested in attending please contact the KCAFP office to REGISTER by September 17, 2011. <http://www.kcafp.net/>
