Award-winning care

Island Health offers an award-winning hospital, seven specialty and three primary care clinics. Island Hospital, a Level III trauma center and Level II stroke center, is a 43 bed facility committed to providing acute care services to our region. With a medical staff of over 170 board certified/eligible providers, Island Health has received multiple honors and awards including: Top 100 amongst all U.S. rural hospitals, a 5-star hospital rating by Medicare based on patient survey responses, and service excellence awards in Orthopedic Surgery, Joint Replacement, Spinal Fusion Surgery, Obstetrics and Emergency Care.

Charles Kotal, MD

Sara Weeks, DO

Why Island Health?

5-star rating by Medicare, one of only eight hospitals in Washington state, and the only hospital north of Seattle.

Providers have 4-day work weeks to ensure a work/life balance.

Our vibrant pacific northwest coastal community has access to mountains and beaches, and 67 miles of local forestland trails.

Anacortes public schools are rated in the top 5% in Washington state.

As a Public Hospital District with Rural Health Clinics, Island Health qualifies for Public Service Loan Forgiveness and other Washington State Tuition Reimbursement Programs.

To join the Pacific Northwest's
leading community health center.

THE BENEFITS

- Live and work in one of the most beautiful, dynamic, and progressive areas of the country. All HealthPoint clinics are located within 30 minutes of Seattle, while also being close to the mountains, Puget Sound, and endless opportunities for outdoor recreation.
- Competitive pay and an excellent benefits package
- Relocation assistance
- CME and Loan Repayment Programs
- Sabbatical Program (Opportunity Time Off)

THE OPPORTUNITIES

- Serve a richly diverse patient population and provide care in underserved communities.
- Shape the future of health care with teaching opportunities at our on-site medical school and family medicine residency programs.
- Work with a talented and integrated care team that includes family medicine, sports medicine, urgent care, dental, behavioral health, pharmacy, nutrition, acupuncture, and natural medicine clinicians.
- Be a part of innovative programs that meet the unique needs of our communities. These include Refugee Health, Centering Pregnancy & Parenting, School-Based Health Care, and Substance Use Disorder Treatment.

HealthPoint is a patient-centered health care home that delivers the highest quality care with respect and compassion.

We serve 100,000 patients in 70+ languages at 18 locations in the greater Seattle area.

Community Health Centers

ABOUT US

WHO WE ARE

Open Door Community Health Centers was founded with a vision to provide excellent health care and health education to an underserved part of California, at a time when the region suffered from a shortage of access.

Starting as a single clinic in 1971, Open Door now has 12 community health centers across Humboldt and Del Norte counties – a service area larger than the state of Connecticut – serving more than 55,000 patients a year and employing over 750 members of the community.

AT THE BOOTH

JENNIFER SPENCE, MD

Medical Director of Ambulatory Care

Snoqualmie Valley Health is an independent public hospital district dedicated to providing expert, compassionate care.

Live in a community consistently rated one of the most desirable in the USA!

Beautiful Bellingham, WA, is a popular university & retirement community of 90,000 nestled between the Salish Sea and the foot of the Cascade Mountains and Mt. Baker. A short distance from Seattle, Vancouver BC and the San Juan Islands, Whatcom County houses several charming small towns. Enjoy all the area has to offer, from a vast range of recreational & outdoor activities, excellent schools, unique shops, local festivals, farmers markets, diverse restaurants, community events, and visual and performing arts.

WHO WE ARE

We are a non-profit, mission-driven Federally Qualified Community Health Center that is passionate about providing high quality, affordable, wholeperson, medical, dental, pharmacy, and behavioral health services to everyone.

OUR VISION

Everyone has the opportunity to live their healthiest life.

OUR MISSION

To increase the years of healthy life in the people and communities we serve.

WHAT WE OFFER

- Friendly/collaborative team environment
- Outpatient clinic only - no OB or hospital rounding
- Modest call schedule providing phone support to 3rd parties only, never directly to patients
- Fully implemented EMR system (Centricity)
- Competitive compensation package
- Support staff in: nursing, on-site behavioral health, medical records, EMR/IT, case management, referrals to specialty care, & referrals for patients seeking health insurance
- Medical, dental, & vision insurance
- Generous paid time off
- Six paid holidays
- 401(k) retirement plan, employer match after 1 year of eligibility
- Life Insurance
- Malpractice insurance with tail coverage
- CE days & dollars and reimbursement of license, DEA & board certification fees
- Alternative transportation benefit
- Eligible to apply for loan repayment through the National Health Service Corps (NHSC) & Washington Student Achievement Council

UW Medicine
PRIMARY CARE

JOIN THE VALLEY FAMILY!

Now hiring PRIMARY CARE PHYSICIANS for clinics throughout South King County

Valley Medical Center is an acute care hospital and clinic network committed to providing safe, quality, compassionate care since 1947, and is a component entity of UW Medicine.

About Valley

- Oldest and largest public district hospital in Washington state
- Serves 600,000+ residents in one of the nation's most culturally diverse communities
- Thriving medical center and the largest nonprofit healthcare provider between Seattle and Tacoma
- Dedicated to our mission of "Caring for our community like family," including our "work family"
- Safety is our core value, with respect, compassion, collaboration, equity, diversity, inclusion, innovation, wellness and excellence as some of our most important priorities

Valley Medical Center Clinic Network

- Primary care clinics in Covington, Kent, Maple Valley, Newcastle and Renton serve as a medical home for care management
- Urgent care clinics provide a safety net of after-hours care, including telehealth and walk-in consult
- 50+ specialty clinics provide access throughout the district

Qualifications

- BE/BC in family medicine/internal medicine
- Ability to obtain:
 - Medical professional license in Washington state
 - DEA with full prescriptive authority

Benefits of working at Valley

- Competitive salary, generous vacation and sick leave, relocation assistance, public student loan forgiveness program participation, and valuable healthy living benefits—learn more at valleymed.org/careers/benefits
- Endless opportunities to learn and grow, including leadership positions
- Form long-term relationships with patients and the community
- Benefit from colleague collaboration, ranging from new grads to seasoned professionals
- Full support staff and manageable patient panels with ancillary support, including RN Care Management
- High income potential (base salary guaranteed for the first two years while you build your practice)
- CME—time and a stipend

Our distinguished recognitions include:

- Patient-Centered Medical Home by the **National Committee for Quality Assurance (NCQA)**
- **American Medical Association's 2022 Joy in Medicine Health System Recognition Program** for our efforts to improve physician well-being and combat burnout
- **The Joint Commission's** award of full accreditation triennially for meeting and exceeding national and safety performance standards

"I truly think that every single person on the care team and administration bring value to the team and really are working together to make sure that we deliver care the best that we can to our patients in our community."

Dr. Shannon Markegard, DO
