

## VOLUNTEER IN TINY HOUSE VILLAGES

---

Volunteers are critical to getting villages up and running. If you are interested in working on carpentry, painting, or landscaping projects, please [sign up to volunteer in the villages here!](#)

**Time commitment:** As frequent or as infrequent as you want!

## BUILD A TINY HOUSE

---

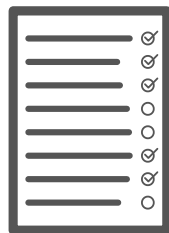

Use your construction skills to provide a home for someone in need. [Fill out this form](#), and then we can send you instructions and coordinate the delivery of materials. Email [tinyhouses@lihi.org](mailto:tinyhouses@lihi.org) with questions.

**What you need:** space to build, expertise in building, fundraising capacity, tools, friends or family to help!

## LEAD A NEW PROJECT

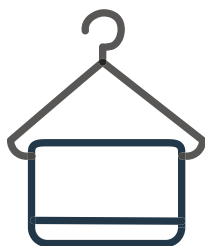

---

Are you an architect, community organizer, contractor, or church group? Do you have space to establish a new village or an idea that you think could benefit existing villages? Email [amanda.eason@lihi.org](mailto:amanda.eason@lihi.org) and we can schedule a time to chat!

## DONATE

---

Tiny house villages and LIHI's affordable housing units are always in need of donations like hygiene and cleaning products. [Check out this wishlist](#) for other commonly requested items. Email [lidya.stamper@lihi.org](mailto:lidya.stamper@lihi.org) if you are unsure where to drop off.
